Family Care
Adoption Services

ADOPTIVE PARENTS NEEDED URGENTLY:

Family Care Adoption Services is an Adoption Agency, and a core part of our work is to place children with new adoptive families. We provide adoption services throughout all Northern Ireland and work with Health and Social Care Trusts to place single children and sibling groups for adoption. These children are aged from babyhood to approximately 5 years old. There are currently more children waiting to be adopted in Northern Ireland than families approved to adopt and there is an urgent need for new families to come forward. All sorts of people from all walks of life can be considered for adoption. So, wherever you live in Northern Ireland if you think you could offer a child/ren a new life in a family of their own and would like an informal chat to discuss this and to find out more about adoption, CONTACT US!
